

# Thrift Plan Enjoy

## THE BLOG

This blog is all about achieving your goals. We all need money to live, but I'm in the process of trying to find a balance between work and family life.

## ABOUT ME

Going through a transformation mentally and redundancy from my job, made me appreciate the important aspects of life. I am on a mission to create a work-life balance and enjoy our family time together. I intend to do this by maximising the money I can earn and save.

This blog is dedicated to a huge part of my personality and what I enjoy the most – planning and organising everything in life.
